Sir:

COMMUNICATION TO THE EXAMINER

Pursuant to a Notice of Allowance dated April 4, 2008, applicants are re-submitting Form PTO/SB/08, listing references previously cited by applicants in the above-identified application, in an Information Disclosure Statement (IDS) filed on January 9, 2008.

In the present application, the Examiner has returned the initialed Form PTO/SB/08 together with the Notice of Allowance. However, several references were crossed off thereon by the Examiner, since the date of the publications was missing from the citation.

Applicants thank the Examiner's supervisor, for indicating in a telephone conversation with Tehila Malachai of the undersigned's office, that the recommended course of action would be to resubmit a corrected Form PTO/SB/08 listing the missing dates, and requesting the Examiner to initial the corrected form.

Applicants are therefore submitting the attached Form PTO/SB/08 listing again the crossed-out references, and indicating the date of publication of each reference.

Copies of the listed references were previously submitted by applicants together with the January 9, 2008 IDS and were available for the Examiner's review and consideration as of that date.

Respectfully submitted,
